ADDENDUM NO. 1

TO

Request for Proposals

Energy Conservation and Energy Efficiency Services

Interior and Exterior Lighting Retrofits at Venetia Valley K-8

Addendum Date: November 20, 2018

THIS ADDENDUM PROVIDES FOR:

**CLARIFICATIONS AND RESPONSES TO QUESTIONS FROM PROPOSERS
RECEIVED.**

The San Rafael City Schools has received the following questions, and provide responses as noted. In addition, where a clarification is provided that will be included below.

Question Group #1.:

After review of the bid package and walk notes we have these questions:

1. Is there a bid bond required? Answer: **No.**
2. What is the estimate cost for the whole project? Answer: **The District has only preliminary estimated costs for the work: \$55,000.**
3. What hours are we allowed to work on the weekends? Answer: **8:00 am to 5:00 pm.**
4. Can we substitute the listed LED Retrofit kit for different one with equal or better spec that are more readily available? Answer: **Yes.**
5. Are there any lighting control involved? Answer: **No.**

6. Who will be getting the rebates for the project? Client or contractor? In other words, does the base bid include or exclude the possible rebate amount? Answer: **Rebates to District.**

7. Since we didn't really cover the classrooms will you provide us with count and the any other information we will need in an excel format? Answer: **All of the information we have at this time is included in the worksheet in the RFP. Provide unit pricing with proposal to ensure the ability to adjust amounts as necessary based on conditions in the field.**
