Public Contract Code 20111.5 enables districts to require prime contractors to be prequalified prior to accepting bids.

- General Contractors (A and B), Mechanical, Electrical, and Plumbing subcontractors (C-4, C-7, C-10, C-16, C-20, C-34, C-36, C-38, C-42, C-43, and C-46)
- The District must receive complete applications at least ten (10) business days prior to the scheduled bid opening on any advertised project in order for the candidate to qualify for a project in excess of \$1,000,000 and partially funded by the State. Pre-qualification approval will remain valid for one (1) calendar year from the date of notice of qualification except as noted in the pre-qualification documents.
