Re: Davidson Middle School Construction Update

Dear Neighbors,

On behalf of the San Rafael City Schools (SRCS) Board of Education, we are excited to share that progress is underway on school bond Measures B & C, generously approved by voters in 2022, to update our facilities across the District.

As part of the work, SRCS is renovating the Davidson Middle School campus. To prepare the campus, designs for the Davidson Middle School have been completed and construction is planned to begin June 17, 2024 and continue through November 2025. Upgrades to the campus will include demolition of existing toilet building; a new 9,200 square foot Multipurpose Room including a stage and new student lunch kitchen; new blacktop and game striping; new gas services; new planting; and accessibility improvements.

Unfortunately, we understand that construction of any nature can be disruptive, but we will make every effort to minimize the inconvenience to the surrounding community. In accordance with the City of San Rafael noise regulations, construction hours will be restricted to 7:00 am to 6:00 pm Monday through Friday and 9:00 am to 6:00 pm on Saturdays.

If you have any questions or concerns regarding the construction at Davidson Middle School, please contact our construction manager, Tunde Olayomi at 415-961-1559 or tunde.olayomi@cumming-group.com. Additional information and weekly updates will be posted on our website at www.srcsbondprogram.org.

We appreciate your patience through the duration of this 18 month-long project to help improve our Davidson campus and our community.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tim Ryan', with a stylized flourish at the end.

Tim Ryan
Senior Director of Strategic Facility Planning
San Rafael City Schools
