

**Project Context**

Eight new 21st century classrooms with state-of-the-art instructional technology, adjacent collaborate spaces, a multipurpose room, office & student support spaces, and extended learning spaces are being constructed to replace inadequate space and bring the Laurel Dell school up to current educational and structural standards. Renovate existing multi-purpose and classroom space to accommodate classrooms, library and media center. Provide outdoor learning courtyard for outside learning opportunities.

**Project Scope**

Demolition existing classroom wings and build new classrooms. Remodel existing wing to accommodate new functions.

**Board Items**

None

**Project Budget**

Please see Monthly Reports on the SRCS Bond Program website.

**Safety**

Site is locked during off-hours for safety. Temporary fencing has been placed around perimeter. No safety issues from construction.

**Disruptions**

No planned disruptions
