utilities, installing underground utilities, installation of new flatwork	Construction Start: June 17, 2024					
and site improvements.	Completion: Mid November 2024 (INC 1)					

PROJECT UPDATE

This week (10/28-11/01)

- 1) PG&E techs will be onsite next week Monday 11/04 to install the gas meter and turn on the pilot light at the gym water heaters.
- 2) The MMWD payment for the fire water system backflow preventer scope is still in transit and expected to be received by next week.
- 3) The contractor PCOs regarding the sewer reroute and lime treatment/winterization have been received and reviewed. The contractor has been directed to proceed with scheduling these scope items.
- 4) INC 2 The architect of record and design team continue to respond to pre-bid RFIs from the potential sub-contractors for the MPR INC 2 project.
